

## Life Dronfield CIO Newsletter

April 2021

Registered Charity Number 1176609

### **Parish Hall Purchase**

We are delighted to announce that due to increased giving we have enough money for the deposit to purchase the Parish Halls. Our next step is to secure the equivalent of a £140,000 loan to complete the purchase. That's where you come in.

Could you loan us any figure up to £140,000, to be paid back over the next 10 years? We are willing to offer an interest rate of up to 3% and you will be a large part of building the future of Dronfield. We know this is an ambitious target, but 14 individuals loaning us £10,000, would enable us to purchase the Halls in the next few months and allow us to continue to grow the fantastic work we are already doing.

If this is something you could consider, please email Andy Evers at [andyevers@lifedronfield.org](mailto:andyevers@lifedronfield.org) to chat further about how you could help us continue our work.

### **Easter Eggs**

A huge thank you to everyone who provided Easter Eggs for us to distribute to those who otherwise would not have received one this Easter. We were able alongside the District Nurse Team to distribute 183 eggs. We know that this simple act has been greatly appreciated by lots of people in our community.

### **Sunflowers Competition**

In collaboration with Dronfield in Bloom we are organising a sunflower growing competition. The competition is open to all in Dronfield and district, we would like as many people as possible to join in. We would love to see the town filled with bright sunflowers and encourage people to spend time outside gardening. There are prizes available for the tallest sunflower and the biggest sunflower head. Each category has a first and second prize available. The first prize being a £20 national garden gift voucher and the second prize a £10 national garden gift voucher.

To enter the competition, you need to purchase your pot and seeds for the cost of £1 before the 1<sup>st</sup> May 2021. All monies raised will go directly to Life Dronfield. If you have any questions, then please feel free to contact us.

### **100km in Day**

Andy Evers one of our trustees will be attempting to walk 100km in a single 24 hour period on Saturday 26<sup>th</sup> June 2021. He will be walking laps of Howden and Derwent Reservoirs. He has opened up a Go Fund Me page to see if he can raise £1000 for life. As you can guess, 100 kilometers in a single day is tough, with Andy's rebuilt knees its even tougher. Please do follow the following link and sponsor him.
