## Life Dronfield CIO Newsletter October 2021

Registered Charity number 117609

### **The Lease**

We are so excited to formally let you know, that the lease for Life Dronfield CIO to operate out of the Parish Halls has been forwarded to the Diocesan Solicitors and we are hopeful we will have it back with us in the coming weeks.

We have been working closely with our architect over the past couple of weeks and are looking to hopefully commence renovations in April 2022, subject to the lease and tender process.

### **Presentations**

With the lease process in the hands of the legal teams, it seems the right time to share with you face to face all that has gone on over the whirlwind couple of months we've had as well as to share with you the future of Life Dronfield CIO and The Parish Halls.

We will therefore be holding a number of presentations across Dronfield and District. Please come along and bring friends and family. Life Dronfield is all about the community in Dronfield and District and we are keen to share this with as many people as possible.
