

Christmas Care Packages

A huge thank you to everyone who donated towards our Christmas Care Packages and especially to The Gavins Foundation and Staves Estate Agents, Dronfield. Over 120 packages were delivered by volunteers and the District Nursing Team.

Easter Eggs

After the success of our Christmas Care Packages we are going to be delivering Easter Eggs to those in our community who might not otherwise receive an Egg this Easter. Again, these will be given out by our volunteers and through the District Nursing Team.

Could you donate an Easter Egg for those in our community who might not otherwise receive one? If you could, please drop eggs off at Dronfield Baptist Church any Monday or Friday morning, or on the morning of Saturday 2nd April 2022. If you can't drop off at those times, we will have a box outside Dronfield Baptist Church's Green door, which you can pop them into.

If we receive more eggs than needed, we will pass any spare eggs onto our friends at New Hope Foodbank.

Thank you for your continued support. The Christmas Care Packages were unbelievably well received and we know these Eggs will be too.

The Parish Halls

We've had lots of people ask what is going on with our lease or purchase of the Halls. Alongside the Parish Church we are committed to purchasing the halls as soon as possible. Derby Diocese are now in the final stages of approving the sale and we hope to have a decision from them by the end of May 2022.

We hope you have a fantastic Easter as we celebrate New Life and Jesus' death and resurrection.
