## We're buying the Parish Halls

We are over the moon and delighted to let you know that Life Dronfield and our partners, have reached a formal agreement with Dronfield Parish Church to purchase their Halls. We know this has been a very long and drawn-out process; however, over the past few months, Rev Ian Webb, Rob Aldread and representatives from Derby Diocese have worked tirelessly with Life Dronfield to finalise the sale.

The Parish Church have already kindly given us access to the Halls. The sale will be complete by September '22 with building contractors on site from January '23.

It's really exciting, but we now need your help to move forward with the renovations. and get our building open. Please read below to find out how you can get involved.

## Coffee and Cake

With the purchase happening in the next few of months, we are looking to build up the number of supporters we have, as well as grow our teams. We have a huge task ahead of us, but with lots of us working together it is an achievable task.

We'd love to share with you where we're up to and how you can get involved at this crucial stage for Life Dronfield.

With that in mind, we will be holding open mornings on

**Friday 20<sup>th</sup> May and Saturday 21<sup>st</sup> May from 10am – 1pm.**

Our friends at **The Holy Spirit Church, Stonelaw Road** have kindly offered to host this event.

Please come along, bring your friends and enjoy coffee, cake and find out how to get involved in the exciting next steps.

## Get involved by scanning this QR Code

### **Life Dronfield Day of Action**

As the first step in the renovations of the Parish Halls we are planning a day of Action on the site. We will be working alongside the Parish Church to clear their building. A large skip will be on site and we have been assured there will be lots to fill it with.

So come on down to the Halls on **Saturday 11<sup>th</sup> June from 9:30am** to help clear the site. It is also an opportunity for you to look around the building if you haven't already done so.

Please wear appropriate clothing and footwear. We ask that you bring and wear your own gloves if possible

### **Coal Aston Gala**

We have been given the opportunity to provide refreshments at this year's Coal Aston Gala. We can't wait to get involved with all that will be going on, including the RAF flypast, Classic Car Show and numerous stalls.

Please drop by and say hello.

**Saturday 2<sup>nd</sup> July at Coal Aston Village Hall**

### **Easter Eggs**

A huge thank you to everyone who provided Easter Eggs for us to distribute to those who otherwise may not have received one this Easter. We were able, alongside the District Nurse Team, to distribute over 150 eggs. We know that this simple act has been greatly appreciated by lots of people in our community.
