National Lottery – Reaching Communities

After 6 months of hard work the National Lottery Community Fund has awarded us £190,593 to employ a full time Charity Manager and a part time Charity Administrator for the next 3 years.

A huge thanks to everyone who has been involved in obtaining this funding. We know that having these positions will have a dramatic effect on what we do as a charity and in bringing about the renovations of our building sooner.

The Charity Manager role is already live on Indeed, with the Charity Administrator role going live later this week. We hope to have completed the recruitment process for both posts before Christmas.

Christmas Open Night

As we mentioned in our last newsletter, we'll be open for you to come and look around our building on Church Street on the evening of Friday 24th November.

On your way between the Civic Centre and the Christmas Tree Festival at the Parish Church, do drop in for a hot mulled wine and some mincepies.

Our team will be on hand to show you around and explain all of our future plans.

We'll have a free children's Christmas card activity as well as the opportunity for you to purchase this year's Life Dronfield Charity Christmas cards.

We look forward to seeing you there.

Charity Christmas Cards

Our Charity Christmas Cards will be available from the Parish Office at Life Dronfield every weekday morning or by emailing cards@lifedronfield.org

Cards are sold in packs of 4 for £3.50, with all profits going to Life Dronfield. Cards will also be on sale at our Open Evening at the end of November.
