### **Christmas Chocolates**

As we've done for the past couple of years, we will be distributing tubs of chocolates across our community through Community Groups, Churches, and the District Nurse Team.

Every year we receive donations of tubs of chocolates from across the town which we then top up, to ensure everyone identified to receive a tub of chocolates gets one.

If you would like to donate a tub of chocolates, please drop them off at Life Dronfield, 21-23 Church Street from 9:30am – 12 noon any weekday morning. Jan in the Parish Office has kindly offered to be the receiving point for them this year.

If all donations could please be dropped off by Friday 24<sup>th</sup> November 2023.

### **Christmas Open Evening**

After the fantastic Community Open day last month, we will be opening the Halls up again on the evening of Friday 24<sup>th</sup> November, from 5pm to 9pm.

We'll have mince pies, mulled wine and hopefully roast chestnuts available.

You'll have the opportunity to look around the Halls and ask any questions you may have about the renovations and what we're already up to.

This is the same evening as the Christmas Light switch on, so please do pop in as you wander down to see the Christmas Tree Festival at the Parish Church.

We'd love to have some trees up in the Halls, so if you fancy practicing putting up your own tree at Life Dronfield for one night only, then please get in touch with Andy Evers at [andyevers@lifedronfield.org](mailto:andyevers@lifedronfield.org).

### **Exciting News**

WE have some extremely exciting news, but we are not permitted to share it just yet. We will have a new newsletter out about it as soon as we can tell you. So keep you're eyes out for the newsletter and on our social media.
